

-TESTIMONIALS-

"Thank you so much for your outstanding assistance and wise counsel, Deborah. It has brought me great peace of mind and significant clarity on my financial options."

~ *Peter M., Retired Client*

"I hired Deborah during a period in my life when I was struggling with my finances. Not only was she a good listener, but also encouraging and insightful. Deborah helped me develop strategies for financial success and to take courageous actions that increased my capital and net worth. I just bought a second home a block from the ocean!" ~*Heather D.M. Educator and Author Client*

"Deborah's ability to simplify complex financial concepts through an honest, common sense approach has given me great peace of mind and has empowered my husband and I to take control of our financial future." ~ *Kathryn D., Surface Designer, 25-Year Business & Financial Mentoring Client*

"My consultation with Deborah really inspired me to begin making a plan for my financial future -- and for my life! She weaves spirituality and law of attraction into financial concepts that gave me so much clarity and hope. I know I am on the road to success!

~*Clinton B., Small Business Owner, Outdoor Clothing Company Client*

"Deborah is like a "money whisperer," with her soulful and therapeutic guidance on money management, a topic that can be frightening to so many! I have witnessed her pure passion and innate wisdom literally transform lives."

~ *Devi L. - Ayurvedic Holistic Health Practitioner Client*

"My time spent with Deborah felt healing and inspiring, not only because I trust her wisdom and extensive experience, but also because of her compassionate and visionary lens. An intimidating topic such as creating financial freedom, felt empowering rather than daunting. Her focus on helping me create structures for my small business also made me feel excited about what is possible and in deeper alignment with my purpose."
