An Anniversary Celebration Letter From Deborah

Literacy to Legacy Mentors **Reframing Your Financial Future**

Hello! April is a month of anniversary celebrations -- from the first anniversary of my personal finance education and mentoring company, Literacy to Legacy Mentors® Reframing Your Financial Future -- to the 15th anniversary of my branding, business and communications strategy agency, Burns Communications, Building Brands, Reputations, and Bottom Lines!

I am sincerely grateful for the continued enthusiasm and support of my mission and vision to educate, inspire, and motivate people to master their financial lives and learn how to live more prosperously. A special thanks to my strategic partners, mentoring clients, and "Financial Freedom Education and Entrepreneur Spotlight Series," attendees and legal, financial, college financial aid, and lifestyle entrepreneur guests. I am excited to announce the expansion of my Financial Education Series, and debut of my "Financial Wealth and Wellness" one-day and weekend retreats in Vermont and Connecticut, expanded offerings online, and in-person events with community partners this Fall.

Over the past 15 years, I have had the great good fortune to collaborate with accomplished strategic partners and a variety of wonderful entrepreneurs and dedicated small-to-mid-sized business owners. As recognized and sought-after brand, business, and communications strategists, we find great satisfaction and pride in helping our clients' companies and brands become market leaders. With a reputation as effective business accelerators and dynamic change agents, we are excited to continue to help our clients thrive!

I invite you to join in the celebration, take the leap, and learn how to

become more prosperous and profitable!

All my very best,

Deborah Pratt Johnson Burns
